- Marriage and Family Studies Professional Studies

### BACHELOR'S DEGREES

- Applied Business Management
- Applied Health
- Applied Technology
- Marriage and Family Studies Professional Studies

**BYU**  
PATHWAY  
WORLDWIDE

[byupathway.org](http://byupathway.org)

Millions of Church members throughout the world don't have a degree. Why? Because it costs too much, they lack confidence, or they don't have access to quality higher education.

With **BYU-Pathway Worldwide**, everyone can access higher education.

### LOW COST & ADAPTIVE PRICING

Tuition is approximately *half* the cost of traditional universities.

### SPIRITUAL & ACADEMIC CONFIDENCE

BYU-Pathway Worldwide inspires hope, opening new opportunities to learn by study and by faith.

### ONLINE & UNIVERSALLY ACCESSIBLE

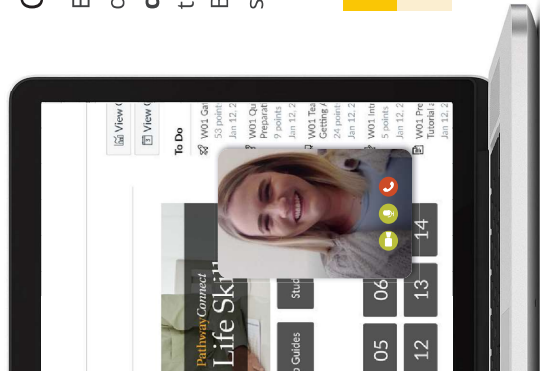

Courses and programs are completely online. All you need is access to the Internet to be able to participate — anywhere in the world.

# BYU-Pathway Programs

## Pathway Connect

PathwayConnect is a one-year, reduced-cost online program that **prepares students to start or finish a degree** by building spiritual confidence and teaching foundational academic skills. After PathwayConnect, students can apply their course credits toward a degree at the same lower price.

### Courses

Each term, students take a manageable course load of academic and religious education. **All course credits count toward future certificates and degrees** offered through BYU-Pathway Worldwide, in partnership with BYU-Idaho and Ensign College. Also, non-native English speakers can improve their English during PathwayConnect.

	Semester 1	Semester 2	Semester 3
Life Skills	Life Skills	Professional Skills	University Skills
Religion Course	Religion Course	Religion Course	Religion Course
			Certificate Course

### Gatherings

Students **gather once a week** to participate in educational and leadership activities related to their courses, as well as receive support from peers. Gatherings are held at a church meetinghouse, an institute building, or virtually through online groups.

PathwayConnect gathering in Puebla, Mexico

## Certificates & Degrees

Whether students first start with PathwayConnect or jump right into a degree program, they can choose from more than **40 online certificates and degrees** offered from BYU-Idaho and Ensign College.

Certificate and degree program areas:

Business

Technology

Health

Family Studies

Professional Studies

Carolina Galvis, Massachusetts, bachelor's in applied business management

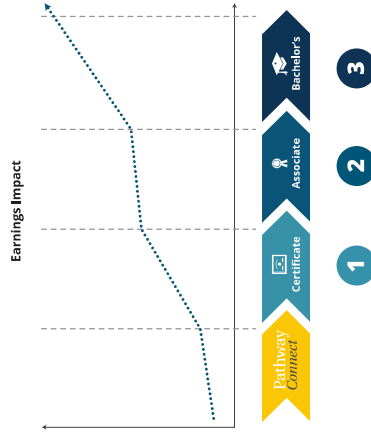

### Certificate First

Students start with a job-ready certificate — typically just **five courses**. Out of the students who complete certificates, **72% receive immediate job improvement**. Certificate completers are also significantly more likely to continue toward a bachelor's degree.

### Degrees

Degrees are built by stacking certificates — so no credits are ever lost.

- 1 By starting with a **certificate** first, students start building employable skills, immediately increasing earning potential.
- 2 After the first certificate, an **associate degree** is built from a second certificate plus general education courses.
- 3 A **bachelor's degree** is then built from a third certificate plus more general education courses, with increased income potential.

Students earn multiple credentials **for the same cost and time** it would have taken to earn only a bachelor's degree.
